**Bangkok, Thailand – 8 September 2021**

**Subject: Thai Water Expo 2021 Rescheduled to September 2022**

Dear Participants

Following recent and ongoing developments in Thailand, the organiser of Thai Water Expo 2021 is concerned and considers the safety of all trade show participants. By following consultations with partners and supporters and has taken the difficult decision to reschedule the 2021 trade show (scheduled for October 2021) to **Wednesday 14 - Friday 16 September 2022 at NEW VENUE: Queen Sirikit National Convention Center (QSNCC) in Bangkok**

This decision was not taken lightly and driven by two major facts:

1. Our priority is creating a safe and secure environment for our community to meet and do business. The 2022 dates will enable us to offer the high-quality event with the regional visitors and business opportunities you've come to expect.

2. We are also confident the new dates will allow more time for vaccine rates to rise and for borders to reopen for business travel, giving everyone the time they need to prepare for successful event.

Both factors have led the organiser to the conclusion to reschedule Thai Water Expo 2021. In the meanwhile, we will continue to provide more solutions for the industry and community through our digital platforms. We are sure this will help our community sustain their critical business conversations and engagement.

We would like to thank those who participate and support Thai Water Expo and we greatly appreciate your patience and understanding. Our sole focus remains on creating an event of enhanced quality, with more exhibitors and qualified trade buyers to make your participation a huge success. We look forward to seeing you again in 2022 at QSNCC where will be able to provide attendees more convenience with facilities and easier access in the heart of the city.
